The AGS Fellows and Symposium Friends Reception, held on Thursday Evening, the 19th of November, on the first day of the Symposium, is a by invitation-only reception to give AGS Fellows and Symposium Friends the opportunity to exchange ideas and meet for general conversation. AGS Fellows are premium affiliates of AGS who are thought leaders in industry, government, the social sector, and academe and interact on a regular basis to think about collectively exploring the future, and to examine how geography, geographic thinking, and geospatial data and technologies impact world events as they are happening. Symposium Friends are also geographic and geospatial thought leaders who have a special interest in continuing the discussions begun at the Symposium at a level that encourages long-term participation. The reception will be held in the Ivy League Lounge in the prestigious Faculty House at Columbia University.
